## Description

Guide Price £280,000 - £290,000! This stunning, detached bungalow occupies a corner plot within a popular cul-de-sac location and has been meticulously well maintained inside and out. The bungalow enjoys views beyond the Green Road overlooking the picturesque Thetford Forest, a fantastic destination for dog walking, running and generally enjoying the local nature.

Upon entering, you will find a useful entrance porch which provides ample space to remove coats and shoes, before an internal door which leads into the hallway. The hallway is tiled throughout and opens into an impressive and contemporary kitchen/ dining room, measuring over 24ft, which includes a range of wall and base level units, storage cupboard and an airing cupboard housing the hot water cylinder, 1.5 bowl sink and drainer, integrated dishwasher, tumble drier and wine fridge as well as ample space for an American style fridge freezer and range style cooker. It is also worth noting the seller is prepared to include the fridge freezer and cooker, as well as blinds, subject to negotiation.

The bungalow boasts a bright and spacious lounge which features bi-fold doors that open into the conservatory, plus two windows to the side allowing natural light to flood into this modern space. The conservatory extends to 22ft wide at the rear of the property and benefits from an insulated ceiling as well as air conditioning unit so that it can be enjoyed all year round. There are also French doors which open outside into the garden.

The internal accommodation is concluded by two double bedrooms including French doors from the main bedroom which open into the conservatory as well as a vertical wall radiator, and fitted wardrobes in the second bedroom, plus a modern family bathroom comprising W.C, wash hand basin, shower cubicle and a heated towel rail.

Outside the bungalow is approached by a private driveway,

incorporating a single car port, which offers ample space for 3-4 vehicles. There is a side access gate which leads into a fully enclosed, landscaped rear garden comprising a modern patio, artificial lawn and a block paved patio with a timber pergola over. The rear garden also includes a useful timber storage shed and outside power points.

This property is served by a gas fired central heating system and the gas boiler, which was serviced in December 2025, is located in the loft.
